YOU ARE INVITED

Discovery is a weekend retreat which provides Participants with a time to share with others in learning, reflection, prayer, music and good fellowship.

Discovery reflects and celebrates our unique spiritual journeys and offers special opportunities for spiritual refreshment, growth and healing, regardless of where we are in our journeys. Discovery can truly be a life changing experience.

At the start you will find a friendly welcome, perhaps meet new friends and get to know others better. As the weekend unfolds you will come to have a deeper knowledge of God's love for you and who you are as a member of Christ's body, the Church.

Come Join Us.
